## TEHNIČKI OPIS / TECHNICAL CARD

Rotor od mobilnih elemenata realizirana od reciklirajuće plastike

Mogućnost izvedbe u različitim dimenzijama

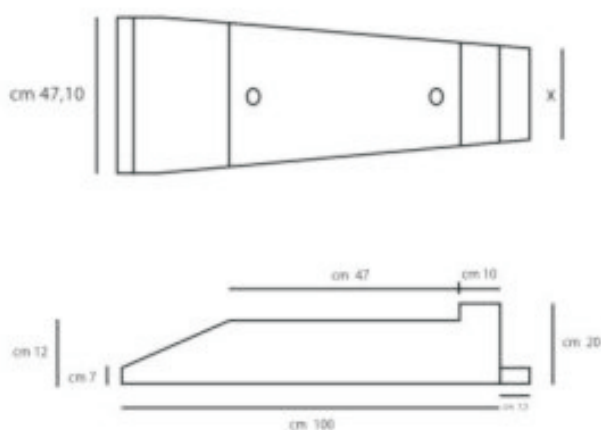

Jednostavna montaža u zemlju primjenom metalnih vijaka

Recycled plastic roundabout with movable components

Different sizes available

Simple installation by fixing metal pins to the ground

X = Varijabilne dimenzije u funkciji promjera  
X = Variable dimension in function of the diameter
